

Camera Trailer

Motive's Mobile Surveillance Tower

A fully deployed, solar-powered surveillance tower engineered for elevated coverage, extended runtime, and continuous 24x7 monitoring.

Features

Rapid Deployment with All-Weather Construction

Seamless Customer User Interface

Remote State-of-Charge & Power Monitoring

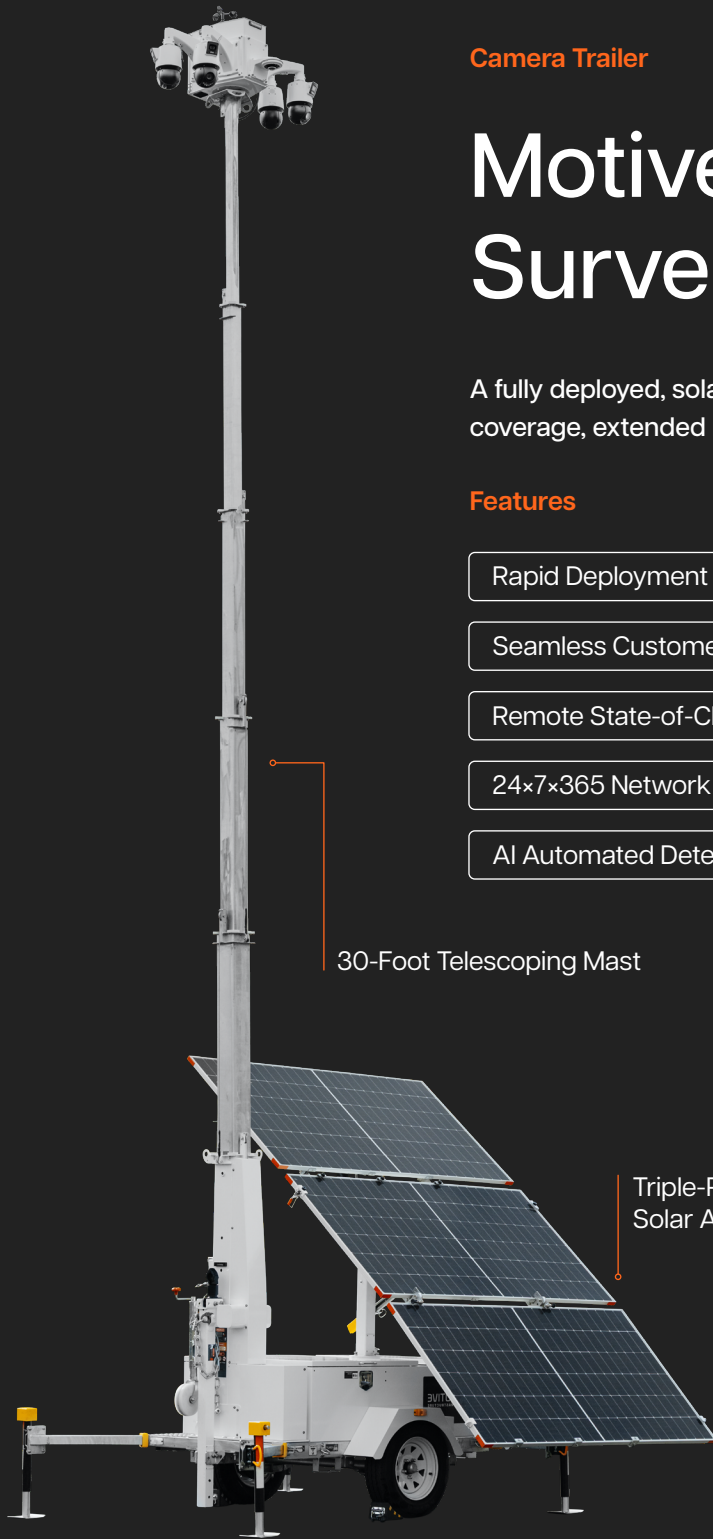

24x7x365 Network Operations Center (NOC) Monitoring

AI Automated Detection

30-Foot Telescoping Mast

Multi-Camera Coverage
(Up to 9 Cameras) with
PTZ Capability

Triple-Panel
Solar Array
